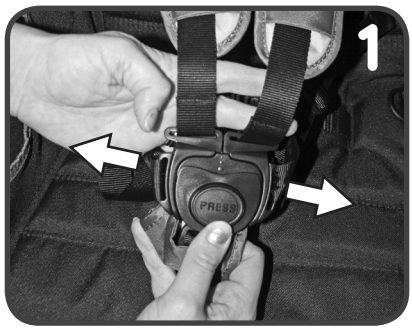
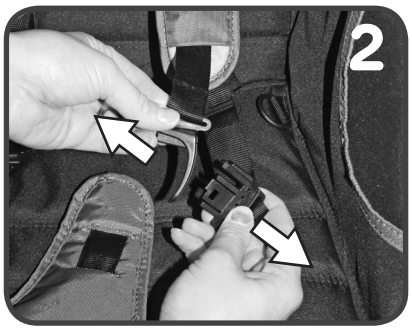
Baby Jogger Footmuff
Fitting Instructions

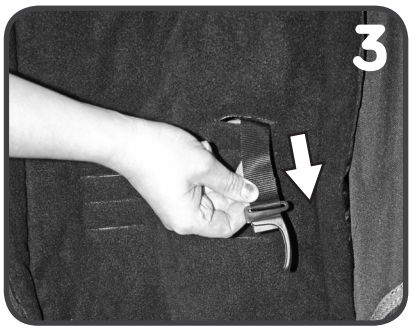
baby jogger



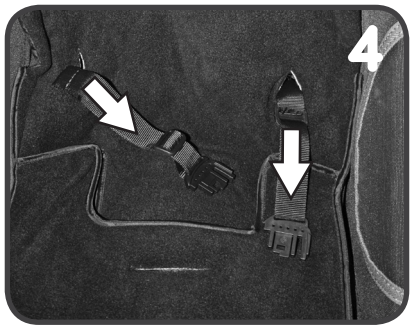
Press the harness button and unfasten the harness.



Separate the waist strap clip from the shoulder strap.



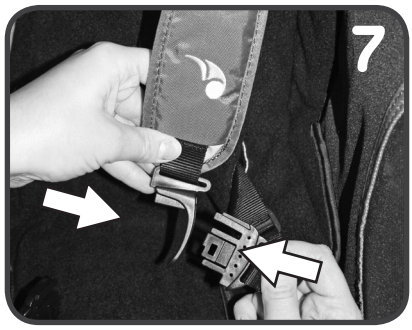
Place the footmuff in the pushchair and thread the shoulder straps through one of the shoulder slots on the footmuff.



Thread the waist straps through the side slots of the footmuff.

Pull the crotch strap and the crotch pad through the bottom hole.

To expose the Fold handle, pull the bottom flap under the handle and use the Velcro to secure it to the underside of the footmuff.



Connect the waist strap and shoulder strap clip.

Fasten the harness together and check it is secure by giving it a sharp pull.

WARNING:
Before using your stroller and footmuff accessory, be sure your child is securely fastened within the harness.
